- **NBAMBA Atlanta Chapter** – In addition to our relationship with the NBMBAA national organization and annual conference, our Graduate Career Advancement team has partnered closely with the National Black MBA Association (NBMBAA) Atlanta Chapter, established in 1980, comprised of business professionals, entrepreneur, and MBA students. The NBMBAA is dedicated to developing partnerships that result in the creation of intellectual and economic wealth in the black community. The organization operates around five channels of engagement: Education, Professional Development, Leadership Development, Entrepreneurship, and Lifestyle.
 - With more than 1300 members, NBMBAA Atlanta ranks as the largest chapter in the NBMBAA and has been recognized as a thought leader in the professional and civic communities within the greater Atlanta area because of its effectiveness in developing and executing programs and initiatives that positively impact youth, its members, and the community.
 - **In FY 17 and 18**, we were awarded the Education Partner of the Year for 2016 and 2017 for the NBMBAA Atlanta Chapter. This award is given in recognition of our support and partnership with the Atlanta Chapter, the Leaders of Tomorrow program, the LOT National High School Case Competition - Atlanta Student Team, the National Grad / Undergrad Case Competitions, our attendance at the National Conference and being a National Collegiate Partner.
 - This is **our 2nd year in a row** to receive this recognition. We were presented this award amongst other colleges and universities in Metro-Atlanta. Employers were also in attendance at this event such as Delta, Northwestern Mutual, Chick-fila, Home Depot, SunTrust, Georgia Power, Georgia Pacific, Starbucks, etc.
